- **Remember:** No question needs to be asked if it is not relevant to the case or if you feel they are already answered by the case summaries. Add any questions that are case-specific that are not covered here.
- Your Review Specialist will give you a heads up if they know for sure that a participant will be in attendance, but remember that participants frequently show up without informing the Review Specialist.
- Get into the habit of writing down your questions for all your cases, but especially when assigned as the Lead Questioner.
- Keep in mind each participant should be given no more than 15 minutes to answer questions and give their case concerns.
