BOARD'S FINDINGS AND RATIONALE

Youth's current placement

- 22-1 The youth's current placement appears appropriate and safe.
- 22-2 The youth's current placement appears unsafe and therefore inappropriate.
- 22-3 The appropriateness and/or safety of the youth's current placement could not be determined due to _____.
- 22-4 The current placement appears safe, but is inappropriate due to _____.
- 22-5 The appropriateness and/or safety of the youth's current placement is unknown because the youth is a runaway.

Team Plan

- 43-1 A team plan that addresses goals was provided for review.
- 43-2 A team plan that addresses goals was not provided for review.

Appropriateness of team plan for successful completion of probation

- 45-1 The team plan is appropriate.
- 45-2 The team plan is not appropriate due to _____.
- 45-3 There is insufficient documentation to determine if the team plan is appropriate.
- 45-4 It is unclear if the team plan is appropriate due to the youth being on runaway.
- 45-5 There is no team plan identified.

Services towards the goals

- 38-1 All services needed to address the goals for the youth are being offered.
- 38-2 Some services needed to address the goals for the youth are being offered.
- 38-3 Services needed to address the goals for the youth are not being offered.
- 38-4 Services for the youth are not currently offered due to the youth being a runaway. [Comment on efforts to locate youth]
- 38-5 There is a lack of documentation or information on which to base a finding regarding the offering of services for the youth.

Plan to transition home

- 46-1 The youth is nearing readiness to transition home, and there is an appropriate plan to do so.
- 46-2 The youth is nearing readiness to transition home, and there is no transition plan.
- 46-3 The youth is not ready to transition home, so a plan for that move does not need to be complete.
- 46-4 It cannot be determined if the youth is nearing a transition home.
- 46-5 There is not a plan to transition the youth back to the parental home.

Progress towards successful completion of probation

- 57-1 Progress is being made by the youth towards successful completion of probation.
- 57-2 Some progress is being made by the youth towards successful completion of probation.
- 57-3 No progress is being made by the youth towards successful completion of probation.
- 57-4 It cannot be determined if progress is being made by the youth toward successful completion of probation due to _____.

Need for out-of-home placement

- 82-1 There is a continued need for out of home placement.
- 82-2 There is no longer a need for out of home placement.

Name	Board #	Date:
------	---------	-------

82-3 It cannot be determined if there is a continued need for out of home placement due to ____.

Need for continued Probation supervision

83-1 Probation supervision should continue.

83-2 Probation supervision should be ordered to end.

83-3 It cannot be determined if there is a continued need for Probation supervision.

83-4 Further filings are needed.

Grounds for termination

94-5 The board's statutorily required finding on whether the grounds for termination of parental rights appear to exist is not applicable because this is a probation case.
